

LAGARDE DOLCE 2022

The only sweet sparkling wine in Argentina made with 100% Moscato Bianco, following techniques similar to those used in the Asti region, in Italy. It is sweet, fresh, fruity and ideal to drink during the summer seasons or to pair with desserts.

STORY

It comes from our estates La Jacintana (Perdriel) and Las Bateas (Agrelo), located in Luján de Cuyo. The irrigation is done by drip, in a surface of 20 hectares.
